

GID BON PRATIK KONSTRIKSYON

NAN GRANDANS | AYITI

International Federation
of Red Cross and Red Crescent Societies

Nan gid sa nap jwen tout bagay ki konsène tout fason nou dwe konstwi nan rejyon Grandans, Ayiti.

Tout infòmasyon sa yo montre nou tout teknik ak prinsip de baz pou nou byen konstwi, e pwoblèm sa yo konsène sa kap pase sou teritwa nou, sito pwoblèm ki gen pou wè ak katastòf natirèl.

Dokiman sa dwe sèvi nou kòm baz pou tout moun kap gen pou vin realize yon travay nan zòn nan - swa pou nou repare, swa pou nou fè yon konstriksyon - e gid sa se yon eleman de baz kap ede bès nou yo nan travay nap fè yo.

Li pa dispansè chwa yon ekip kalifye pou realize travay la.
